This cookbook is freaking awesome. I'm so sad I came across it after the money was already raised on kickstarter, and the campaign was closed. Actually, I came across this cookbook just a few weeks ago. I'm a huge GG fan, and would watch every week, or whenever I could catch an episode, back in the days before a dvr. I'm so delighted Carlson earned more money than she was hoping for, because she was able to make this cookbook just top quality. The binding, the photography, the pages... it's just all so gorgeous. Every recipe I could think of while watching the show, it's in here. I am so excited to try some of these recipes this weekend!

Huge Gilmore Girls fan; and though there are some recipes from the show that could have been included, this is so awesome!

I bought these as Christmas gifts for two of my friends that are up obsessed with Gilmore girls. These were perfect and they loved them! This is great for someone who adores the show, but I also want to cook book with very simple recipes for every day use. Would highly recommend for any kitchen.

Full of wonderful GG recipes from Sookie, to Luke, The Town Favorites to even Emily Gilmore herself. Can't wait to try and make a Rory, and Miss Pattys Founders Day Punch. Luke's french toast, with Sookies Peach Sauce. All and all A Great Buy.

Love this book! We bought it to make some special treats to eat while watching the new Netflix Gilmore Girls. We made a few things and they were obviously tested. It is a lot of fun to read and reminisce about the show.

I am so excited about the reboot, I just had to preorder this book as soon as I heard about it! It arrived today and I've already read it cover to cover. I can't decide what to make first! The blurbs for each recipe are gold and literally all of the recipes I've always been curious about are in this book. If you are a die-hard Gilmore Girls fan and want some authentic eats for when we all watch the reboot, this book is a MUST!

Such a cute, fun book! Haven't tried a recipe yet but I will soon. Great variety of dishes from the show.

This is hilarious and was a perfect addition to the Gilmore Girls revival viewing party!
