ÃƒÂ¢Ã ¬Ã Ã ÃƒÂ Ã Ã,Ã Ã•Loved it but I think the paper could have been a better quality. For just coloring and carrying in my pocketbook it's OK for that. I usually like to take the pictures and frame them after I finish them and give them as gifts . Could also be taken along for kids at Dr. app. or car and plane trips. I like the colored- pencils and even has a good sharpener too.

Bought as a gift and appear well made.

beautiful adult coloring book! Would purchase again!

Perfect! Just what I wanted. Excellent service and fast shipping.

Great coloring book. Very relaxing after a long stressful day. Great pictures and gives you a lot of options

very well made, like that you can use markers and not have it leak through the other side.

Cute pictures but the paper quality is bad.

Lots of fun and therapy for me during these colder months. I'm sure i will be enjoying this one through spring and summer as well.
