Blue Hill Bay: Islands Of The Mid-Maine Coast

Synopsis

The McLanes have delved into a wealth of primary sources, using old tax assessments, court records, and early maps, to spin their tales of the early settlers of Maine's islands and their descendants. Here is history as it too seldom is in textbooks: colorful, human, downright irresistible. Each volume is replete with rare vintage photos and dozens of maps and will delight all who love islands, or simply a good read.
