Customer Reviews

My daughter learns so much more quickly because she is excited about the pace that this method takes. It's easy to get discouraged and bored with the other methods that go more slowly and are more redundant. With Suzuki she has progressed much faster.

The CD came right on time. It had all the songs that my daughter is learning so it was good to have

a reference to the songs she's playing. It really improves her playing.

Good interpretation of Suzuki piano method

useful.

I choose this as I want to learn Suzuki Piano School Method playing, Everything to me sound good and played beautifully.
