## Customer Reviews

Generations of children around the world have grown up spending hours poring over books by the late RICHARD SCARRY filled with all the colorful details of their daily lives. No other illustrator has shown such a lively interest in the words and concepts of early childhood. He began his career at Golden Books in the 1940s, and he remains one of the world's best-loved children's authors EVER! He was posthumously awarded a Lifetime Achievement Award from the Society of Illustrators in 2012.

Classic! As always, wonderful Scarry artwork, creative modes of transportation and Goldbug. The kids enjoy seeing the usual characters like Bananas Gorilla. We have the other transportation board books in this series. Get them all! Our toddlers love them all!

great first book for those little hands...can't rip out these pages...

I love Richard Scarry books! This one is a good one!

i bought it with planes book for my 3 years old. It's little bit too easy for her.

No cute story, no rhyming, no sentences. Just pictures and a single word description of each boat.

Great content for little kids (particularly those who already love Richard Scarry). The size is perfect. The pages are heavy duty.

My son (5) loves boats and enjoys this book.

26mo daughter loved it. Perfect size for her little hands.
