Maisy Learns To Swim: A Maisy First Experience Book

Synopsis

Maisy ventures into the water in a story sure to make a splash with young children who are learning to swim. Today Maisy is going swimming for the first time, and she is a little nervous. Good thing Eddie and Tallulah are coming, too. Eddie is a natural, but Maisy and Tallulah get into the pool slowly. "ooh, it's freezing!" But soon they are kicking and floating and even blowing bubbles with the rest. Whether water-shy or raring to go, young readers will find much to relate to as Maisy experiences another childhood first.

Book Information

Series: Maisy

Paperback: 32 pages

Grade Level: Preschool - Kindergarten

Customer Reviews

When Maisy and her friends take a beginners' swimming lesson at the pool, she and Tallulah ease into the cold water slowly, while Eddie jumps in with a splash. The title overstates Maisy's accomplishments, but she does make progress during her lesson, learning to kick using a kickboard, blow bubbles underwater, and float on her back. Illustrated with cheerful gouache paintings, the matter-of-fact narrative and practical information conveyed within make this a helpful picture book for children who are curious or anxious about their own swimming lessons. A useful addition to the popular Maisy First Experiences book series. Preschool-Kindergarten. --Carolyn Phelan --This text refers to the Library Binding edition.

A lot of fun * Baby & Me * --This text refers to the Library Binding edition.

Simple story but mirrors a lot of what goes on in my child's swim class, so he really enjoyed seeing the similarities.

Arrived promptly. This was a gift - but great gift for child who is taking swimming lessons.

My almost three year old granddaughter, Grace, absolutely loved it. She was starting swim lessons and I thought it would be a good introduction. She is now a big fan of the Maisy books!

My 2 year old daughter LOVES Maisy and this book has been a handy since we started taking swim classes in September. During our swim classes I'll remind her to do something just like Maisy, and it works!

My 22 month old daughter has been enjoying Maisy's books since she's about 1 year old. she fell in love with Maisy's bedtime first and now owns almost all of Maisy's books. She loves the colors and the animals and the other characters in the book.

A fun favorite!

Purchased for my daughter when she started swim lessons. It was my 3rd favorite of several toddler swim books.

Good little kids book, All the maisy books are, would buy one again
