## Customer Reviews

The best routes around the area.

Insight Guides wherever possible uses local experts who provide insider know-how and share their love and knowledge of the destination.

Well-thought-out and nicely organized routes - I used this book MANY times during my week in Mallorca. It was more helpful than the 3 other books that I also had with me. I just kept going back to this one and being pleasantly surprised by the the correctness of it and the nice suggestions that it offered. Was also happy for its light weight in my travel bags. (Some other books were too dense and heavy.) Enjoy!

I like this book a lot as is it detailed enough to actually find "hidden" or unknown places. It is also a smart way to organize your trip - with a day long side trip to explore every aspect of the island.

thanks
