When Sean Tiffany was growing up, he lived on a small island off the coast of Maine. Every day, from sixth grade until he graduated from high school, he had to take a boat to get to school. When Sean isn't working on his art, he works on a multimedia project called "OilCan Drive," which combines music and art. He has a pet cactus named Jim.

My 8 year old loves these books. It's a great way to get them reading for fun! He would read the whole book in one sitting because he loved it so much. We have many other Jake Maddox books for that reason!

I think Andrew did a great job on the field by faking the defender on the touchdown pass for the win

Great buy!
