Customer Reviews

Far-Away Places "explores a whole new cruising ground along the vast wilderness of British Columbia's north coast, an area that until now has gone largely unexplored by pleasure craft.

This out-of-print and somewhat out-of-date cruising guide contains entertaining descriptions of 50 selected anchorages between the north end of Vancouver Island and the BC/Alaska border (on both the traditional inside passage and the less-travelled outside passage). It also includes chapters on various aspects of cruising in this area (weather, fishing, anchoring, bears etc.). If you want the most practical and comprehensive cruising guide to this area, get "Exploring the North Coast of BC". But if you want an entertaining read - as much travelogue as cruising guide - this is a charming and useful book.
