Customer Reviews

It is an excellent version of my worn out early studies book. Binding, printing, aspect ratio all excellent. The page numbers are consistent and all musical notations are as the original. The only change I noticed was that the list price no longer appears on the cover. Otherwise identical.

Arrived in great condition with standard Chopin fare

Great, thanks

This book is a classic and will not disappoint pianists who enjoy Chopin. Perfect!

Did not meet expectations. Since no index was shown the specific waltz I wanted was not included.

I am thoroughly enjoying this set of Chopin Waltzes.

I already had a copy of this edition of the waltzes. However, it was much more than 60 years old, and was falling apart. I was delighted to find that I could get a new edition of exactly the same

printing. I am extremely pleased with it.

The book is clean and delivery is fast.
