Customer Reviews

ATTENTION: don't waste a single cent on this. I can't believe someone wasted their time and had the NERVE to write this garbage and charge \$3.95 for it. I'd leave it negative stars if I could, but the least I could leave was 1 star. I'm amazed someone ever allowed this crap to be sold on .com. This may sound ridiculous and like I'm exaggerating, but this teaches you NOTHING at all. I am being 100% serious when I say that this teaches you how to shampoo, condition, brush, and put your hair IN A PONY TAIL. The best part is, it didn't even teach you how to do a cute ponytail, like taking a strand of hair and wrapping it around the hair tie to look chic and classy. It teaches you how to put your hair in a regular ugly ponytail.
