James Sherwood's Discriminating Guide To London

Synopsis

The discerning traveler's guide to the very finest experiences that London has to offer James Sherwood, author of a number of definitive publications on English sartorial style, is the quintessential man-about-town. In this witty, opinionated, and discerning guide to London, he draws on many years of partaking in the very best that the metropolis has to offer. Whether you want to breakfast like a king, drink cocktails in the company of sophisticated British personalities, or shop for antique jewelry, this handy volume will take you there. Beautifully packaged and produced, with stylish line illustrations, James Sherwood's *Discriminating Guide to London* includes information, advice, and a sardonic wit not to be found elsewhere. Sherwood's supreme taste coupled with his firsthand knowledge of some of the most exclusive, exciting spots in London makes this guide a must-have for city slickers and jet setters alike. James Sherwood's *Discriminating Guide to London* is inspired by a 1970s publication of the same name by another James Sherwood (no relation) who is today the owner of the Orient-Simplon Express and luxury hotels and restaurants around the world. The older Sherwood contributes a foreword to this new guide. 7 illustrations

James Sherwood is editor-at-large of *The Rake* and a regular contributor to *The World of Interiors* and the *Daily Telegraph*. He is also the author of *Fashion at Royal Ascot* and *The Perfect Gentleman*.

Really like this book! I gave it to a friend who is new to London as a way to see the real London after

he's done with the touristy bits. It's choc-a-bloc full of unique experiences, many costing nothing, some pricey, and lots in between. Highly recommend to those who have been to London more than once and want to experience something different.

We are looking forward to visiting the sites described in this book. When traveling, it is of interest to us to visit extraordinary places, rather than all the regular tourist haunts.

WELL WRITTEN A JOY TO READ.

If you have sybaritic tastes and an appreciation for good prose, you'll find this to be as useful and entertaining a guide as you'll ever read. Wish the two James Shermans could write one for every city.
