Book by Arey, Richard

Fred Arey's book is an exhaustive compendium of bicycle trails, paths, and routes in the Greater Minneapolis and St. Paul areas. I have found it to be remarkably accurate and informative. On numerous occasions I have taken the maps in the book along with me on my rides and have not been lost since. The author also has a humorous style of writing that is pleasant to follow. I will definately buy the next release of this remarkable guide!
