Kennedy Half Dollar 1964-1986 Collector's Folder (Warman's Collector Coin Folders)

Synopsis

Few things have garnered as much overwhelming support from the United States House and Senate as the decision to create a Kennedy half dollar. Two months after Kennedy's assassination, the House and Senate passed legislation for the coin, with the House entering a record-setting vote of 352-to-6 in favor of it. Now you can savor this American treasure with this beautiful and classic Kennedy half dollar folder. The three panel folder is larger in size than most folders, and features 48 die-cut slots--the most of any similar folder.

Customer Reviews

I have been sitting on a collection of a few hundred half dollars for about 15 years now and decided that it was about time to get them as ordered as possible since I knew I would not be spending them. This is where this particular folder came into play. I ordered several of these folders at one time and I was not disappointed in the least. Not only do the folders LOOK good but they will not be damaged easily as well. They hold all my coins easily and provide numerous facts about the coins that help the customer learn where and why these specific coins were produced. I would gladly recommend any of the Warman's folders to any sort of collector whether they are just beginning their collection or if they have been collecting for years. It is a solid product that does exactly what it is supposed to do.

Very happy with my folders which are perfecta and arrived quickly as said. Thanks, John

I like the Warman Collector's Folders for their quality design. The coins are easy to insert, and the cardboard is firm. These Collector's Folders work great. It includes some extra slots for add'l Kennedy's, which allow you to add to your collection.
