Biblical Greek Laminated Sheet (Zondervan Get An A! Study Guides)

Synopsis

Students of biblical Greek and Hebrew may not know everything they need to know, but they do know there's a lot they need to know! Whether studying for exams or translating passages of Scripture, students need critical information at their fingertips. Instead, it's usually scattered throughout textbooks, self-made crib sheets, and sticky-notes on their computer monitor. Now there's a better way! The Zondervan Get an A! Study Guides to Biblical Greek and Biblical Hebrew are handy, at-a-glance study aids ideal for last minute review, a quick overview of grammar, or as an aid in translation or sermon preparation. Each set contains four information-packed sheets that are laminated and three-hole-punched, making them both durable and portable. The study guides are tied to Zondervan's Basics of Biblical Greek and Basics of Biblical Hebrew.

William D Mounce (PhD, Aberdeen University) lives as a writer in Washougal, Washington. He is the President of BiblicalTraining.org, a non-profit organization offering world-class educational resources for discipleship in the local church. See www.BillMounce.com for more information. Formerly he was a preaching pastor, and prior to that a professor of New Testament and director of the Greek Program at Gordon-Conwell Theological Seminary. He is the author of the bestselling Greek textbook, *Basics of Biblical Greek*, and many other resources. He was the New Testament chair of the English Standard Version translation of the Bible, and is serving on the NIV translation committee.

I got this in between my first and second semester of Beginning Greek. This sheet has all of the important information that I would often flip through Mounce to try and find. It's a great reference when doing translations too. You have noun case endings and personal verb endings and participle morphemes all in one place. Highly recommended to the beginning Greek student!

Excellent as described. I strongly recommended this seller.

Just starting out learning the language. This looks like it will be very beneficial, and just what I need.

This is not nearly as well organized, nor is it nearly as clear, as a similar product that I have for Latin. I am a fairly proficient reader of Koine Greek, but I am not always as quite as proficient as I would like to be! Unfortunately, this seems better suited for studious review than as a handy reference while reading the Greek New Testament. Rather than struggling to use this, I have found it more useful to create my own.

This is too costly for 4 reference pages that I can copy out of the book. It does not give as much information as the book.

I ordered this sheet based on the recommendation of my professor. I was looking forward to having a 1 stop reference sheet. However, I didn't end up using this as much as I thought I would. I couldn't always find the exact help that I needed. I think that the information on this sheet is very "generic" because they need to fit so much information onto limited space. I carried this around with me

everywhere when I was studying Greek. It was useful, but it was not the amazing resource that I wanted it to be.

useful

A must if you buy the book
