There is some confusion in the product description on , as the leader's guide is not the same as the study book. I am leading 700+ women in this study right now and a handful of them have said they received the leaders guide. Usually the price is a good indicator of the content. The leaders guide is 28 pages and the top right corner says "leader guide." The study guide (sometimes called member book or workbook) is 240 pages and the top right corner says "9-session Bible study." I have contacted Lifeway and advised them that this page says "leader guide" in the product description. I will update my review at the completion of the study. The book was just published and so far I've found the material impressive. Beth Moore uses a variety of Bible translations- so to fill in the blanks in the workbook it's important to realize that her translation might not be the same as yours. Also, if you do not understand a key idea, you'll often find the next paragraph has the full explanation. This topical study is divided by these eight chapters (nine video or audio sessions are available from publisher website).#1 The Lord's Message Rang Out#2 Entrusted With the Gospel#3 Destined for This#4 Taught By God#5 Children of Light#6 Mobilized Ministry#7 To Love the Truth#8 The Lord of PeaceEach daily lesson requires about 45 minutes of time. There are five lessons per week. While the study guide has 8 week sessions, if you are using the video/audio segment then your study will be 9-week total as the first video is an introduction.

I did this study as part of Beth's summer siesta study. So solo and without the hour long videos each week. Beth did a short intro video every other week on her blog. I LOVED IT! And have bought the workbook for 2 of my friends. Can I be honest?... I had gotten a little burned out on Beth's studies. I'm not a good in-depth studier, and I had trouble staying focused for an hour video. THIS WAS AWESOME. She had me digging DEEP in the Word, searching for myself, but the daily homework didn't take an hour and I GLEANED SO MUCH FROM IT! SO MUCH! So even if you're not doing it with a group and with the videos, get it! YOU WILL LEARN SO MUCH AND BE ENCOURAGED!

I'm doing this study with a group of girls in mid 20's and let me tell you, we LOVE this study! Beth Moore is wonderful all around and always has in depth and amazing studies. I love this one not only for the content but I look forward to doing these studies. They also don't take an hour long like some of the past studies I've done of hers. You can't not love Beth though. If you're looking for a new study, definitely try this one out.

This is one of Beth's best! but then again I always say that when I start one of her studies. So well written, she can pull out a ton from an ounce of scripture. Love love love!

Great Beth Moore book on Thessalonians! Encouraging and insightful! Better to do with a group but can easily be done individually!

Whether you have participated in other Beth Moore Bible studies or this is your first one, you will absolutely love this study. It is not as strenuous as some of her earlier studies which makes it easier for first time participants. God will definitely bless you as you participate and study his Word.

This is a great study. I did this with a group of women of various ages. It was a success. I feel like all of us walked away inspired.

Could you contact me? I received 4 books instead of 2 (mine and the Post Office fault) I would like to pay for the other two. Excellent study.
