Customer Reviews

Wanted a coloring book for my kids who became interested in Alexander Hamilton after hearing the Musical music. This fits the bill nicely. Other reviews complained that this wasn't a Hamilton The Musical coloring book. I agree, the pictures are traditional "founding fathers" pictures, and not coloring renditions from the Musical. This was clear (to me) from the product description and page preview, so I am not disappointed in the purchase. It is a coloring book about the founding father, and will serve to further my kids' interest in history. Pages are thick for coloring (like most typical adult coloring books) and they are printed on just one side, so you don't have to worry about

bleed-through. There is a lot of nice detail to color. There's a little historical description on each page which is nice, too.

Be warned... this coloring book has NOTHING to do with the Broadway show. But it's great for history buffs!

Added 2 tee shirts, necklace, bracelet and my other granddaughter painted a logo so my 13 year old granddaughter was happy on her birthday. Wish I had money for theatre tix but maybe it will tour.

my daughter is obsessed with Hamilton the musical and loves to learn all the history she can behind it...this was the perfect gift for her!

This is more the Ron Chernow version than the LMM version. Pictures and the "non-entertainment" version of the history. Kid for whom this was bought is a *huge* musical fan, but was still happy to receive it as a gift.

Perfect for coloring and listening to Hamilton!

Great gift idea for a fan of Hamilton...basic biographical info---not affiliated with the musical.

My Hamilton obsessed daughter is going to love this!!!
