Customer Reviews

Love love love. Just what I wanted. Easy to read and no crazy enharmonic spelling mistakes. Yay!!!
Naturally had to take to printer to have it spiral-bound. Someday they will come that way. :)

It's just what I wanted.

Great

I played this show with the un-revised score and I'm very sorry I didn't buy it back then. I own this version and not only is it difficult to read, it is made of the cheapest possible paper and falls apart almost instantly. I am constantly on the hunt for the original version but it seems to have

disappeared.

This is one of my favorite scores from the Rodgers and Hammerstein canon. If you are a musical theater major or musical theater fan (and collect complete vocal scores), this is a great score to have in your collection and worthy of study.

The music is good and clearly printed, but I bought this edition for the spiral binding as advertised - and got none - which makes opening the score flat on the piano stand very tricky, and turning pages while playing from the score impossible. So "No Thanks".
