Tricked myself, really. Not the textbook I expected. Had to return.

The book title does not match the cover picture at all, resulting in us buying the wrong book. Very disappointed.

Used this book for class, there was writing in the book I received, but the previous owner/renter was nice enough to erase it. For the class I took I did not need a brand new book, so this worked perfectly.

The description and item pictured are not the same. I have since ordered the standalone book which is the actual one pictured above. Not sure if my student will use this student manual at all.
