Medical Terminology: The Best And Most Effective Way To Memorize, Pronounce And Understand Medical Terms

Synopsis

D.A. Medical Handbooks is against any form of review manipulation and therefore its ranking. We care about our customers and have no intention in misleading anyone into making a purchase. Our reviews are 100 % real and genuine. What did the doctor say? What did the patient say? What did the professor say? Whatâ€™s going on? These are only few of the questions that people ask when faced with jargon-filled medical conversations in hospitals, schools, clinics, homes, and even at work. This book contains proven steps and strategies on how to understand, pronounce, and memorize medical terms using various methods. It also has tips and strategies that can help you apply these methods. What you will learn: How to understand Medical Terminology and learn its suffixes, prefixes and root words. How to pronounce Medical Terms thanks to our simple rules. How to memorize fast and easily using our built-in exercises at the end of each chapter. How to build effortlessly a Medical Terms using root words, suffixes and prefixes. Buy this book today!

Customer Reviews

Written in an understandable format. Questions included and these questions are presented in many styles and varieties.

Very short book, but the resources are worth the few bucks I paid for this Kindle book.

This was a gift for my partner (we're EMTs) she loved it, she said it was super easy to understand

and great to use.

The book is very concise and well organized, good study tool when being first introduced to medical terminology!

The best so far! •

Good book. Great price.

Very very VERY basic. It's sort of like a long introduction to a medical terminology book.

This is incredible! Easy to read , break down is awesome than any other format I seen .as a nursing student I recommend it
