## Customer Reviews

Every city in America should be so fortunate as to have such a complete reference guide -- Nevada Commission on TourismIt is a much needed resource in a growing town with many tourists and many questions -- Southern Nevada Hotel Concierge AssociationWe recommend Experience Las Vegas to anyone who is looking for a complete guidebook and detailed reference book under one cover -- Las Vegas Chamber of Commerce

Welcome to Experience Las Vegas. We hope our efforts to give you the ultimate, all-in-one directory/guidebook will help and guide you through our great cities including Las Vegas, North Las Vegas, Henderson, and Boulder City. Las Vegas has more excitement and energy than any other city in the world. It is not only a great place to visit and enjoy the entertainment and sights, it is also a wonderful place to live. As you read through this book, you will see the many cultural offerings available, fabulous recreational areas to enjoy, schools to be proud of, strong economy, and planned communities to live in. This book continues the efforts started by Bruce Brown, the original

publisher and editor, to offer up-to-date information on Hotels, Casinos, Shows, Dining and Gaming. It answers many of the questions asked by those wanting to relocate: local government, taxes, employment information and housing. Because of vast growth - new hotels, casinos, restaurants and businesses - Experience Las Vegas will be updated on a continual basis. To help you keep abreast of all the new and exciting changes, we suggest you send in the business reply card in the back of this book, so we can keep you informed when updates are available. We hope you'll Experience Las Vegas with us again and again, and enjoy our book. Your comments and ideas to make our publication better for you to enjoy are greatly appreciated. Please drop us a line, we would like to hear from you.

THIS BOOK NEEDS UPDATING!!Very disappointed; this book is NOT what it claims. Full of OLD INFORMATION and has not been updated. Prices are wrong, casinos not listed, attractions not listed, tours listed that are no longer available. Bought this book knowing nothing about Las Vegas; had a short time to spend, and wanted to make the most of the experience.

Being a frequent traveler, and relying on different travel guides, I could not believe the detail of information contained in this book. Not only was I able to find every restaurant in Las Vegas, but also their hours, type of menu and price range. The amount of time I saved researching and making phone calls was well worth the cover price. My only regret is that they dont have publications for other travel destinations

This book is like a super yellow pages of what is in Vegas. I bought it because I needed a book that listed every casino (not just the good ones) and every hotel and every resturaunt. This does it. Full pages are dedicated to the stip hotels complete with layouts of main floors. Where else can you find a book that will tell you if you have to walk through the casino to get to your room. The only problem I have with this book is that it is ONLY facts, very few reviews. However this book combined with another more "touristy" book makes a fantasic combo! I'm sure that this book is in every travel agent's collection.

This book is huge, almost telephone-book size. It contains valuable demographic information. Its disadvantage is that it is now out-of-date. The two very newest and finest casino-hotels are only listed as pictures of "things to come". This guide is out-of-date in other areas also. The public transportation prices are incorrect (too low), and trips to outlying tourist attractions like Hoover Dam

or Bryce Canyon, or the Grand Canyon have been changed considerably from those listed. We left our copy in the hotel room, rather than carry it home.

Las Vegas is a place that constantly redefines itself. The town is forever changing. What was once 'the place' to be is now in need of re-modeling. This guidebook is fun and has lots of information to say the least, but it's so outdated. [UNDER THE NEON SKY...A Las Vegas Doorman's Story](#)
