The Meaning Of Difference: American Constructions Of Race, Sex And Gender, Social Class, Sexual Orientation, And Disability

Synopsis

The Meaning of Difference focuses on the social construction of difference as it operates in American formulations of race and ethnicity, sex and gender, social class, sexual orientation, and disability. The conceptual structure of this text-reader comes from four framework essays that addressing the construction of difference, the experience of difference, the social meaning of difference, and social actions that might bridge differences. Each framework essay is followed by a set of readings selected for readability, conceptual depth, and applicability to a variety of statuses. Boxed inserts throughout offer first-person accounts, many of them from students. The readings in this edition, which include twenty-four new readings and ten new personal accounts, have been selected to speak to contemporary assumptions of a “post-racial” America.

Customer Reviews

Toni-Michelle C. Travis is Associate Professor of Government and Politics at George Mason University in Fairfax, Virginia. She is also a faculty member in the Women’s Studies and African American Studies Programs. Professor Travis received her Ph.D. in Political Science from the University of Chicago. Her areas of research and teaching include race and gender in political participation, and urban politics. She has served as the President of the National Capital Area Political Science Association and the Women’s Caucus of the American Political Science Association. She hosts Capital Regional Roundtable, a cable television show, and is a frequent commentator on Virginia politics. Karen E. Rosenblum is Associate Professor of Sociology and Vice

President for University Life at George Mason University in Fairfax, Virginia. She is a former Director of Women's Studies and the Women's Studies Research and Resource Center and a faculty member in Cultural Studies. Professor Rosenblum received her Ph.D. in Sociology from the University of Colorado, Boulder. Her areas of research and teaching include sex and gender, language, and deviance.

I like this product because not only did it meet my class's requirement but also expanded my knowledge about stigma , stereotyping! I was very happy with the quick delivery of the book.

The cover was torn to pieces, and destroyed. Was not satisfied.

Useful for my sociology class

Very good book. Very deep.

Thank so much!

great
