Medical Law, Ethics, & Bioethics For The Health Professions

Synopsis

Now in its Seventh Edition and in vivid full-color, this groundbreaking book continues to champion the "Have a Care" approach, while also providing readers with a strong ethical and legal foundation that enables them to better serve their clients. The book addresses all major issues facing healthcare professionals today, including legal concerns, important ethical issues, and the emerging area of bioethics. Videos online at DavisPlus bring these challenges to life through short vignettes that feature scenarios of common legal and ethical issues in a medical office.

Customer Reviews

Got what I needed for my class for a little less than the school was selling it for. So I was happy to save a few bucks. The book was like new and has served its purpose. Very happy with my online purchase.

Needed this book for the MA program i'm in and its nice and easy to understand.

Recommend this book to anyone, very informative.

good book it's cheaper on here then the school store .

Arrived on time and contains the information needed to be a study buddy with student in another

school district.

The required text for my course in Medical Law and Ethics over the summer. The book has great information, and a good tool to have on hand even after graduation.

Excellent concepts and ideas to discuss with residents and medical students

Product as described, fast shipping, would buy again!
