THINK World Religions (2nd Edition)

Synopsis

THINK Currency. THINK Relevancy. THINK World Religions

THINK World Religions is informed with the latest research and the most contemporary examples, allowing you to bring current events directly into your classroom with little additional work. An engaging visual design developed through extensive student feedback will appeal to your students and deliver the core concepts of World Religions in a way that they can actually understand. In addition, a groundbreaking instructor supplements package will help you bring the core concepts of World Religions to life without burdening your students with heavy, too dense or too expensive learning solutions. A better teaching and learning experience

The teaching and learning experience with this program helps to: . Improve Critical Thinking

The text will help you consider how each religion grapples with a series of important ideas Engage Students Written in an anecdotal style, students will be pulled in with the author's narrative of his real-world experiences and work. Support Instructors All supplements were developed around the textbook's carefully constructed learning objectives.

Customer Reviews

"Visually attractive, easy to read, with resources that facilitate cross-cultural comparison and critical thinking." - Abraham Velez of Eastern Kentucky University A cutting-edge text for the digital 21st-century generation studying

World Religions or Comparative Religions.

Nathaniel Murrell of UNC Wilmington

“Colorful, well-written, appealing to students, good possibilities for connections to resources on the Web.”

Alan Meyers of Lindenwood University

Roy R. Robson is Professor of History and Director of the Honors Program at University of the Sciences in Philadelphia. He teaches courses on modern Europe, Russia, and world religions. His interdisciplinary teaching includes

“Intellectual Heritage: Time” and “Views of the Cosmos.” Robson writes extensively on Russian history and world religions. His last book,

Solovki, won praise from the

New Yorker, The Times (London), Condé Nast Traveler, and the

Journal of Modern History. Robson serves as the series editor on Orthodox Christianity for Northern Illinois University Press.

This year, the National Endowment for the Humanities honored the University’s Intellectual Heritage program by granting Dr. Robson a fellowship to expand his course on Time. Dr. Robson is president-elect of the Southern Conference on Slavic Studies, the largest regional association of Slavic scholars in America.

is proud of the Kindle edition of this book, and I have no idea why. They state:

Print Replica Kindle books maintain the rich formatting and layout of their related print editions and offer many of the advantages of standard Kindle books. Features include:

Notes and highlights, Search, copy and paste, Zoom and pan, Pop-out linked table-of-contents.

This is a problem - on 7" tablets or a first-gen iPad, it is impossible to read without zooming and panning. I would like to read it on my laptop, as it says in the description that it is available for all platforms, but when I try it tells me it can only be read via a Kindle app on a mobile device. Now that I see they've released a Kindle Fire app for PCs, I'll try that tonight and see if it's any better.

Subtracting a star for the lack of insight on indigenous religions. It is harder to go in depth but can

give better understanding into the development of religion. Perhaps this is for a different textbook.

The other chapters have such depth, however, and it is sad for it to end, so to speak.

This “book” reminded me more of a magazine rather than a higher educational reference book.

Although it did have a good bit of information in it, I don’t like feeling as if my intelligence is being insulted and or the material being “dumbed-down” in order to appeal to the younger generation of

college goers.

Bought this for school, required textbook. I loved the magazine like layout for it. Made it much easier to get into the subject.

excellent book

only \$0.90

Came in timely manner and was the appropriate item I had expected

As expected
