Excellent, well-written resource to central NC. We are moving there and I wanted a fast resource to interesting restaurants and food shops - this is it. It is focused on specialty shops not chains such as Whole Foods or Trader Joes. Much of this same information can be found in the magazine Edible Piedmont. However that magazine is more selection and this covers more choices. Short, concise descriptions of each business, costs and anything of note. Also includes information for businesses outside the area for day road trips.

Wonderful guide! I bought two. One for me and one for my son. Great info.

amazing guide to local eats. one of the most complete that I have seen. From Dives to Haute this guide covers them all

Great product.

Just ok. Not what. Expected.

Gave as a gift, and they loved it. Found some new restaurants and food markets to try !! Arrived on time
