# Wrath Of The Mountain Man

## Synopsis

Shoot A Mountain Man In The BackÃ¢ ¬Â|On the frontier, a manÃ¢ ¬â„¢s word is his bond, and only fast guns and good friends can save your life. So when Smoke Jensen trusts his gravely injured comrade to the care of a small town doctor, the last thing he expects is an act of betrayalÃ¢ ¬â„¢and a call for revengeÃ¢ ¬Â|And Get Ready To Look Him In The Eye. Somewhere in his past, Smoke crossed paths with a lowlife who has now built a little kingdom as a frontier sheriff. For the corrupt lawman, holding Smoke's friend hostage is the perfect way to lure Smoke into a deathtrap. Now thereÃ¢ ¬â„¢s no choice for the mountain man. He knows how many guns are waiting up ahead. But he won't ever leave a brother behind. And this time, there won't be an enemy left standingÃ¢ ¬â„¢or a bullet left in Smoke's gunÃ¢ ¬Â|Over 10 Million Johnstone Books In Print!

## Customer Reviews

Wow! Two books in one. I love the books on Smoke. They have a lot of action and Smoke is one tough Mountain Man. I read every book I can find on the Jensen family love them all.

Johnstone continues the 39-volume series entitled The Last Mountain Man with his great book. Johnstone writes with energy which will not let you put the book down. He ends each chapter with you on the edge of suspense so you have to ready the next chapter to see what happens.

Again William W. Johnstone wrote an other wonderful story that again put me right there in the story some where watching it unfold, and again I recommend it to all western lovers.

Great series. Great service. Great author.

good quality and fast shipping

this book had excitement and danger. could have been the old west for sure

My daughter bought this for me at a garage sale for 25 cents. I'm not convinced we got our money's worth. I'm struggling to get through the book. I'm up to chapter four. I'll likely put it down now and not finish it. I found the dialogue and writing style stiff with loads of old cliches and stereotypes. I can't help but think I'm trapped in a bad Lone Ranger episode with all the "white eyes", "fire water", "forked tongue" shtick.
