Christopher Seufert is a photographer based in Cape Cod. This is his third book.

I am an artist living in Las Vegas, Nevada. I have spent time on Cape Cod and have many pictures of that time. The book allows me to have a bit of a refresher.

Beautiful pictures; great book if you love the Cape or need a gift for someone who has a house on the Cape. Perfect for the coffee table.

Thank you

Very beautiful pictures - we would have liked more text regarding the pictures - but I believe it was advertised as pictures. We will be visiting there soon, so we do have an idea of what it will look like.

Very nice beautiful Book on Cape Cod & the Islands, talks all about the different islands, pictures are beautiful. Thank you very much !
