La Forza Del Destino (The Force Of Destiny): English National Opera Guide 23 (Opera Guides)

Synopsis

English National Opera Guides are ideal companions to the opera. They provide stimulating introductory articles together with the complete text of each opera in English and the original. Verdi's *War and Peace*, writes Peter Conrad of this epic opera composed in 1862. It encompasses the extremes of a religious and secular existence - the worlds of the lovers pursued by an uncompromising fate and of the people in the scenes at the inn and on the battlefield. Despite its beautiful score, this opera has often seemed perplexing: Richard Bernas shows us how the music is devised as a convincing entity, and Bruce A. Brown traces the tortuous but fascinating history of its revisions. Here translated into English by Andrew Porter, *La forza del destino* deserves a serious reassessment.

Giuseppe Verdi (1813-1901) is one of Italy's most celebrated opera composers. His best-known operas include *Rigoletto*, *Il trovatore*, *La traviata* and *Aida*.

At the described 60 pages I expected at least the Overture and highlights. This is 7 pages. Only Trabuco's aria from Act Three is included.
