Customer Reviews

I purchased this book for myself, I color for relaxation and practice multiple types of art therapy. This is a nice book, the images each have their own page so you don't have to choose either/or if you are wanting to hang up a piece when you are done with it. There are a nice blend of simple and more intricate detailed pictures. I was drawn to the fact that many of the women do not have faces. It's a nice alteration of the mandala designs that I often do.

Love! Love! Love! First time buying a book by trendi mindi but most definitely won't be my last!!!

Another really nice coloring book I've found! This one is easy on the eyes and doesn't have a ton of microscopic pics within pics to color and strain the eyes!

Love the drawings - great to color.....no perforations in pages.....

Liked the positive messages and the drawings help to be creative

Just as advertised, thank you for a great experience

great purchase, would buy from this seller again!
