Customer Reviews

i bought this book for my step-daughter. As was I, she was thrilled with the nearly perfect condition of it.

I know that you can get this at meetings, but I've sent this to an addict who is sitting in jail & who wants to stay sober when he gets released.

Well-worn heavily used book, but very readable.

This is important to understanding addiction.

Excellent product as advertised. Arrived on time.

I had looked and looked everywhere to buy this book for my child. Every bookstore I went to either didn't sell it or was sold out and would take weeks to get in. Finally found it on , ordered it

immediately and when it arrived the book was in excellent condition.

As described....

Great Product!
