Bad Kitty Meets The Baby

Synopsis

Kitty's owners are home with a big surprise for Kitty. But what is it? Kitty, reeling in horror, thinks it's a . . . dog. The neighbor cats are convinced it's a cat. But we all know that it's really a BABY! With Nick Bruel's trademark mix of antic humor (this time involving a Kitty game show and the Kitty Olympics— which the baby wins hands down), riotous illustrations, total mayhem, and Uncle Murray Fun Facts, this may be the funniest Kitty book yet, and the one that hits closest to home. *Bad Kitty Meets the Baby* is the winner of the 2012 Children's Choice Book Awards for Third to Fourth Grade Book of the Year.

My kids love the Bad Kitty books. They are easy to understand and read. My third grader can finish the book in an hour and my first grader is starting to love reading them too. I love finding books that my kids love and beg to read and Bad Kitty is one of them!

Love it

These are awesome books. This book has not let my son who is 8 yrs old down. He rereads this book along with all the other Bad Kitty books over and over again. He became a fan with the 1st book... He is looking forward to the next 2 books to come.... If you ever had a bad kitty or just want to laugh your way through a good book don't miss purchasing this book or any other Bad Kitty books. Well done to the Author with lively written words and wonderful illustrations... Please keep creating those Bad Kitty books. My son had even asked if Bad Kitty could even become a show or movie someday.... Anything is possible. Awesome, Awesome books and educational too for both adult and child....

purchased as part of a series for our grandchild. Cute series.

The 1st and 2nd grade classes that I volunteer in and read to love The Bad Kitty Series of books. They aren't my favorite and yet I'm not reading them for my pleasure as well as the kids. And these books get a big thumbs up and that's enough for me.

My 8yr old son isn't crazy about reading but loves reading all the Bad Kitty books. He's reread all of them a few times & still finds them funny.

My son hates reading. I mean really, really hates it. I homeschool him and he always cries and fusses when it's reading time. The Bad Kitty series has slowly turned things around. This is a book that leaves him wanting more. I was so surprised when I found him reading this book on his own, with no prompting from me and no complaining from him. We have since ordered the entire collection and he is loving all of them!

I bought this book for my granddaughter and she said the book was good and very funny!
