A Pure Heart (Cutter's Creek Book 21)

Synopsis

Mary Pershing's quest for the perfect man to complement her elite status as the mayor's beautiful daughter has stalled. Embarrassed that her younger sister will be married before her, she feels lost. Practically hopeless. Her failure to find a worthy husband has dampened her spirit. Almost. Dante Holbrook hits the sleepy town of Cutter's Creek and Mary's world is immediately brighter. The high society man from Boston was most definitely worth waiting for. Dante is handsome and successful with practically every other trait Mary desires in a man. This match made in Heaven is going to be the talk of the town - in Cutter's Creek and Boston, too! Then there's the pesky cowboy, Luke Ripley. This rascal simply cannot take a hint. His advances are unwelcome, but Mary can't find the right words to tell him to leave her alone. So, she's simply rude to him. Until she and Dante are officially betrothed, this will have to work. Just as Mary's life is coming together, it starts to fall apart. The shallow young woman Mary has grown into finds a conscience and ethical code she never knew she had as a dark side of Dante emerges. Mary has a choice to make. Will she act on her hunch that something isn't right about Dante or will she overlook his questionable business practices? And how will Luke play into her decision? Enjoy another sweet love story set in Cutter's Creek where historical western romance always meets a happy ending!

This book did not disappointment me at all. It was written in full Annie Boone style. I just loved it. It is a clean and safe book for everyone to read. It shows that we all have choices to make and in making those choices there are always consequences, some good and some bad depending on your choices. Mary had to make some choices of her own. She had to decide what she really wanted out of life. She had to decide what was really important to her. Some mistakes are not easily corrected but with God in your corner it is possible. If you put your trust in God, He will give you the real desires of your heart.

Another great addition to the series that shows how a humbling experience can make you stronger. Shallow Mary that we met earlier learns a valuable life lesson and becomes much more human and likable. Thank you for a pleasurable afternoon!

My only disappointment in the Cutter's Creek series is this is the last book. I hope you keep it going and write more. The series brought the town of Cutter's Creek alive for me. I enjoyed every book in the series.

At first, it's hard to like this unlikely heroine. She is selfish and vain and seems to have no redeeming qualities. However as the story developed Mary learns alot about herself and the values she holds. Her growth as a person changes her into a different person as she learns the true value of those around her. Definitely recommend this book.

This story was fitting. The person in Cutter's Creek who thought she knew everything was taught a valuable lesson. What you want isn't always what you need. This is well written. You experience the highs and lows and laugh with every page turned. Very good book.

Beautifully written. I loved the characters and their storyline. Mary and Luke were made for each other. Bring Dante back and humble him a tad. Let Mary's sister get her chance with her law practice. You excelled with this story. Keep them coming. Just loved it.

This charming story was very appealing and the characters were all so real! I really enjoyed reading this exciting story and look forward to all the other stories written by Ms Boone.

I liked the fact that, in the end we get to see a wonderful change in the family. I just fell in love with Luke myself!!!! Truly a great story, & well worth the the read, didn't put it down till I finished it.
