Froggy Goes To Grandma's

Synopsis

Froggy has a ball visiting Grandma! When Froggy and his family go to visit Grandma, they look forward to all kinds of fun: a baseball game, a trip to the amusement park, a visit to the museum to see the Froggy Lisa. Customer Reviews

Praise for Froggy's previous adventure, *Froggy Goes to the Library*: "Another uproarious adventure. . . Remkiewicz's brightly colored, cartoonish scenes, which depict lots of bouncy action, are a great complement for London's energetic text and irrepressible character. A natural fit for a fun library storytime." "Booklist" A good story about visiting the public library and a solid addition to the 'Froggy' series. "School Library Journal" "This wonderful tale certainly shows how fun the library can be." "School Library Connection"

Another wonderful addition to the world of Froggy!

It has been years since I have read a Froggy book. I used to read Froggy books to my older kids all the time. They are now grown and out of the house and reading this book brought back so many memories. This like the other Froggy books makes a great read aloud.
