Great American Eating Experiences: Local Specialties, Favorite Restaurants, Food Festivals, Diners, Roadside Stands, And More

Synopsis

Follow the locals to their favorite foods throughout the United States, state by state, with the help of this gorgeously packaged travel planner. Anchored by regional specialties and the best places to sample them, Great American Eating Experiences serves up real-deal comfort foods like New Orleans Po' Boys and Chesapeake crab cakes, sprinkled with fun food factoids, food surprises, and more. Go beyond the Internet basics and discover the country's most authentic food experiences. As an added bonus, GPS coordinates for each destination make sure you don't miss these sometimes hard-to-find secrets. ã ã The book is organized state-by-state, highlighting the best regional eating experiences both tried-and-true and unexpected. Among more than 130 festivals, you'll discover a festival celebrating Moxie, a medicinal elixir-turned-soft-drink that is almost exclusively found in Maine; local Michigan spots to try Cudighiãçâ ãâ •ground sausage sandwich topped with mozzarella and tomato sauce; where to sample Native American fry bread in Arizona and New Mexico; the best places to eat Key lime pie in Florida; the two dueling Philly cheesesteak restaurants in Philadelphia; the New Orleans birthplace of the muffaletta; and much more. This colorful travel planner helps you discover the best local foods and eating experiences throughout the United States.

ãçâ ãâ“Here's where you'll find the heart and soul of American food culture.ãçâ ãâ•The Good Cook

NATIONAL GEOGRAPHIC is one of the world's leading nonfiction publishers, proudly supporting the work of scientists, explorers, photographers, and authors, as well as publishing a diverse list of books that celebrate the world and all that is in it. National Geographic Books creates and distributes print and digital works that inspire, entertain, teach, and give readers access to a world of discovery and possibility on a wide range of nonfiction subjects from animals to travel, cartography to history, fun facts to moving stories. A portion of all National Geographic proceeds is used to fund exploration, conservation, and education through ongoing contributions to the work of the National Geographic Society.

This book has plenty of restaurants that you just know you have to stop by and sample the food. So the next time when you go on a road trip, look and see if there are any restaurants in the area that just might make you stop. I'm sure you will find some.

Great reading.

Good resource for road trips & visits to unfamiliar area. Would like a few more restaurant & food experience recommendations.

Love it.

love this cook book !

This is kind of a Road Food with lots of nice pictures. A decent source book of things to look for, but also just a fun read. What exactly is it about? Well, you probably know some local foods from where you happen to live. New Jersey / Philadelphia area? How about scrapple? New England? Well, there's whoopie pies. St. Louis? Toasted ravioli. New Mexico? Green chile burgers. So, nothing super fancy - just your basic local folk dishes. The only reason I'm giving this 4 stars is its treatment of my home state of NC. It only gets 2 foods. Much smaller, less culturally rich states get a ton more. ND, for example, gets 7. Just seems a little out of balance.

This book is a real treat; it's quite thorough & interesting, and it has a profusion of good photos. If you love diners or other "roadside" places, this book will surely embellish your travels.
