Quick & Easy Medical Terminology - E-Book

Synopsis

Read, write, and speak medical terms in no time with LeonardÃ¢â¬â„¢s Quick & Easy Medical Terminology, 8th Edition. Ideal for one-semester courses and self-study, this clear, concise text covers disorders, diagnosis, and treatment with a strong focus on anatomy for an integrated discussion of each body system. Small bits of information are presented then immediately tested for comprehension using a combination of programmed and traditional review questions. With new case studies, terms, and photos, plus help from the companion Evolve site, Quick & Easy Medical Terminology provides you with simple tools for good communication in the health care environment.Brief explanations and a focus on basic word-building skillsÃ Â make this text perfect for shorter, one- or two-credit medical terminology courses or self-study.Moderate anatomy and physiology coverage offers just the right amount of anatomical information to support the terminology presented.Programmed learning improves your comprehension by offering immediate feedback. Review exercises integrated throughout lesson material enable you to test your knowledge and retention of material more frequently for quick reinforcement. Medical reports with review exercises allow you to study terminology in documents similar to those seen in the clinical setting Ã¢â¬â• and practice using terms in real-life situations.Quick Tips located throughout the text provide fun facts and memory aids. Student Evolve resources include games; activities; flash cards; animations, pharmacology, CAM, and genetics appendices; audio terms, and mobile quizzes and flash cards that offer additional opportunities to quickly gauge strong and weak areas in a fun, interactive environment.

Customer Reviews

This is one of the most amazing textbooks I have ever used. The structure makes it very easy to digest while building on previous chapters read. Excellent source of information.

Has several mistakes that I noticed. Otherwise good book.

very nice with good price. thxs.

good price for a new one

Exactly the same!!!! I love it!

al good

Unfortunately the book was is poorer shape than indicated, even tho I knew it was used, and the cd was not usable at all as it was broken. Had I been a bit more savvy at knowing how return a product I would have. I believe the time has now passed to return this item.

This book, and the online study material, is excellent in assisting any individual retain and learn the information presented.
