Customer Reviews

Great to read in preparation for trip. Enticed me to stretch myself i.e. the secret falls hike which we did on our own vs a tour. Highly recommend it if you're preparing for a first time adventure to kaua'i

Great for planning activities on the island.good evaluations of all trips based on personal experience with each.Well organized and easy to access.

Worthless book unless you are completely unable to do anything yourself and must pay for someone to guide you everywhere.
