Hope Wishes And Dreams (Seeking Heart Teen Series Book 4)

Synopsis

Hope Wishes And Dreams: Seeking Heart Teen Series, Book Four Up until recently, Amber Wilson's life has been simple. School, sports, family, and friends: These elements have taken up most of her time. But since turning sixteen and adding a boyfriend to her busy schedule, things have become increasingly complicated. Deciding not to play basketball this year frees up some time, but she doesn't end up spending those extra hours as she intended. God has things on His agenda she didn't see coming, and her own plans are not turning out the way she hoped, wished, and dreamed. Holding on tight to Jesus, Amber braves the storms and trusts Him to keep her afloat, finding some pleasant surprises awaiting her on the other side. A new friend. A new relationship. And many new experiences keep her life interesting. Will the changes and sacrifices she makes result in hope, peace, and joy? Or will things end up in a tangled mess? Will she cooperate with God's plans to take her to a deeper place of trust in Him, or will she allow her fears to hinder all the exciting things He has planned? *Hope Wishes And Dreams is the fourth book in the Seeking Heart teen series. Books in this series are recommended for ages thirteen and up and are meant to be read in sequential order.
