# Granada On: Granada Off The Beaten Track, Urban Explorations In Granada, Andalusia, Spain

## Synopsis

Do you really know Granada? If you have been here and visited the Alhambra, maybe the Cathedral, and had some sangrÃƒÂ- a and tapas, the answer is no. Granada is an old city with a lot of history behind, most of it true. This makes it maybe a bit more unknowable than other cities. Every corner, every neighborhood, every river and every street is different. And it is impossible to describe it all, but this book, which is the result of the urban walks of the author in the more than thirty years he has been living there, is a first attempt to talk about the parts and features the city that are usually ignored and forgotten by the usual, "Granada in one or two days", guides. This guide will attempt to cover graffiti in this city that is known worldwide for them; talk about the machines and things every geek wants to know, have a look at the university inside the monuments, the freemasons in Granada and the rests of the real estate bubble. This book is an invitation to wrap yourself in the city and discover your own routes, more than a box of entertainment that just scratches the surface. And it is about art, but also about people. And a bit, about history.

## Book Information

Paperback: 110 pages

Publisher: CreateSpace Independent Publishing Platform; 1 edition (January 10, 2016)

Language: English

ISBN-10: 1523257083

ISBN-13: 978-1523257089

Product Dimensions: 5 x 0.2 x 8 inches

Shipping Weight: 6.2 ounces (View shipping rates and policies)
