Customer Reviews

I thought this would be an inspirational book, but I was extremely disappointed. If you aren't wealthy, and can't afford to buy vacation homes, travel the world, and invest in plastic surgery now (before things get worse), this book is not for you. It made me feel horrible about where I am at this stage of my life.

Great gift

If you are looking for other peoples views on turning fifty, thus is what you'll get. It was interesting to read what others have reflected on at fifty. Gave me some new perspectives.

Perfect for a 50th Birthday gift

glad to learn so many ways to celebrate being over the hill. A fun read for everyone. dont pass this

one up.

was a gift

Interesting, fun and easy read! You can just flip it open to any page and read a little or a lot. Always something you'll enjoy and just maybe learn something new!
