## Customer Reviews

Book by Ed Hall, Adam Tinworth, Chuck Wendig, Mike Lee

Warning - Waywards are not for the faint of heart. These characters are serial killers through and through. You had better know your fellow players very well before introducing a Wayward into a gaming session not to mention having him as a full time player character. Very good book, but beware these guys are intense.

Brilliant book, absolutely essential creed book. One of the best-written WW supplements in years.
