Broken Mary

Synopsis

In 2008, Kevin Matthews, a well-known ABC and CBS radio personality in Chicago, was diagnosed with multiple sclerosis. As the drive-time radio host for seventeen years and also the voice of his sports commentator, Jim Shorts, and other characters, Matthews entertained ten million listeners weekly, sold out every appearance in the Midwest, and performed in front of 65,000 fans at Grant Park. He traveled around the world, met the famous, had babies named after him, and helped countless charities. He entertained hundreds of thousands of people inside prisons, army bases, and backyards. His promotions included comedy jams, a band, barbeque throw downs, and golf outings. *Broken Mary* is Matthews' story of his early years in radio and stand-up comedy, his successful career, his struggle with MS, his awakening to the dignity of women, and, importantly, his chance encounter with a broken statue of Mary left next to a dumpster and all that happened as a result. Told with Matthews' signature good humor, this confession of the brokenness of mankind is touchingly honest, personally inspiring, and full of hope.

Kevin Matthews, one of the most recognized radio personalities in broadcasting, was recently named to the all-time list of Top Twenty Radio Personalities. A household name in the Chicago area for over seventeen years, he entertained ten million listeners a week on AM 1000 The Loop and ABC and CBS radio. In the fall of 2008, while on-air, he was partially paralysed by multiple sclerosis. Broken Mary is the story of his radio career, his struggle to overcome a debilitating disease, and a chance encounter with a statue of the Virgin Mary found next to a dumpster.

The sincerity and honesty with which Kevin writes his story is refreshing. This is truly HIS story, bumps, warts, glory and all. We feel we are there, experiencing the pivotal experiences that shaped him. He soul-searches his values and that which he tolerates without question, early on. He bares his soul to himself, as well as God. His journey is that of the human condition and of trying to make sense of a sometimes seemingly senseless world. He finds comfort and redemption in God's grace, and tells his very personal story of searching and finding, yet it isn't something that culminates in an ending; one must live one's faith every day, for himself, for humanity, and for God. Being taken on Kevin's journey is an insightful privilege.

Great book! Quick, easy, fun and spiritual read. Don't have to be super religious to enjoy this book. Kevin is funny and very enlightening. Kind of changed me in a way. Thanks Kevin

My husband entered eternity with Jesus and Mary last November. This story was just the pick me up I needed. Couldn't put it down. Thanks.

I grew up with a similar aversion to all things Mary because no one took the time to explain why they did what they did. Kevin Matthews does a masterful job explaining and I will use Broken Mary as a template for bringing her to the teens I work with!

Here's a guy you think you know being a faithful listener. For the most part he is that guy, honest, funny and insightful. The book reveals much more. If you're a fan you'll love this book.

Not what I expected at all. Became a Kevhead when I moved to Chicago. Saddened when Kev left AM 1000. Found him on Facebook and saw he was writing a book. Thanks Kev for sharing your inspirational adventure, and prayers on your M.S.

I loved Kevin Matthews and I love this. Took more. What a great novel. We will keep Kevin in our prayers. Highly recommended.

i never would have known and was always a fan of K. Matthews , support is a must.. good read
