# Standard Methods For The Examination Of Water & Wastewater

## Synopsis

Analysts, researchers, and regulators have relied on this peer-reviewed publication since 1905. The trusted source of accurate, proven methodology for analyzing natural waters, water supplies, and wastewaters. The 23rd edition of **Standard Methods for the Examination of Water and Wastewater** contains over 400 laboratory methods for the analysis of dissolved solids, metals, free and total chlorine, odor, taste and flavor profile analysis, disinfection by-products, radionuclides, total organic carbon, and fecal coliform. Laboratories worldwide rely on this comprehensive reference as the trusted source of accurate, proven methodology for analysis of water, water supplies, and wastewater. It is the essential resource for water analysis professionals. The methods in the 23rd edition (as in previous editions) are believed to be the best available, generally accepted procedures for analyzing water, wastewater, and related materials. They represent the recommendations of specialists, ratified by a large number of analysts and others of more general expertise, and as such are truly consensus standards, offering a valid and recognized basis for control and evaluation. All methods are dated to identify which ones changed significantly between editions. New in the 23rd edition: over 80 revised methods and 5 new methods added; extensive revisions to Microbiological Examination (Part 9000); new drinking water method to test for pharmaceuticals and personal care products; new, more realistic, visuals to help identify aquatic organisms; revisions to solids, cyanide, nitrate, dissolved oxygen, and biochemical oxygen demand. **Standard Methods** is also offered as a subscription service, which includes all the new, revised, and USEPA-approved methods that are full-text

## Book Information

Hardcover

Publisher: American Water Works Association; 23rd ed. edition (July 31, 2017)

Language: English

ISBN-10: 087553287X

ISBN-13: 978-0875532875

Product Dimensions: 8.8 x 2.4 x 11.2 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)
