Supernatural Love Stories In The Absurd Box Set: (Books 1-3)

Synopsis

A wendigo. An ancient cursed pharaoh. A haunted brothel. There's something for every paranormal romance lover in each of the first three books in the Supernatural Love Stories in the Absurd series. If you want to laugh, cry, and need to change your panties, check out these unique paranormal love stories.

Parched (Book 1) After wandering the Earth for over 4,000 years, I, Waylon Blackman, thought I had seen it all—then a black aura crossed my path. As a wendigo, my life has been about nothing but greed and living with my curse, but the mysterious aura and the woman it belongs to send my world into a tailspin from the first second we meet. She gets under my skin and hypnotizes me with her sexy, adventurous, willing, and kinky nature, so much so, I almost let myself forget I know nothing about her. Thinking with the wrong head can certainly get a man in trouble, but for me, it could mean an end worse than my curse.

Cursed (Book 2) When I stepped into the dank depths of the Egyptian ruins, I didn't expect to find something I'd been searching for my entire adult life—the tomb of the mysterious pharaoh, Nebtawyre Mentuhotep IV. And, I certainly didn't expect the sexy pharaoh to step out of his sarcophagus very much alive. Lust soon overpowers reason as I fall down the rabbit hole with Wyre. He claims me completely—my mind, body, and soul. We only have three days to break a 4,000 year-old curse placed on him by his crazy ex. If we don't, he'll return to his tomb and take my heart with him.

Spirited (Book 3) Buying and renovating the old plantation house seems like a great idea. The fact that it's supposedly haunted by the ghost of a murdered prostitute is a minor oversight. I don't believe in that crap anyway. But after a late night rendezvous with a sexy spirit elicits a very real nocturnal emission from me, I have to rethink my belief in poltergeists—and love. The intoxicating woman who has been trapped here for over a century casts a spell over me with her humor, courage, and sexual talents. I know I have to do something to free her from her ethereal prison. But will my actions break the metaphysical chains holding her here, or will they release something darker into my new home?
