Part of baby shower gift.

Sturdy construction and cute photos for young children. However, be aware that it does not use the traditional wording of the prayer, substituting "you" and "your" for "thee" and "thy" - "Hail Mary, Full of Grace, the Lord is with you. Blessed are you among women..." Not necessarily wrong, but not the prayer we teach our young children.

Item exactly as described. Looking forward to reading this to my little one. Since it's a board book, I don't have to worry about him tearing it! Great addition to our little one's library!

It is a cute book but very flimsy for a board book. I'm afraid it won't hold up to long. The pages are very thin in comparison to other board books we have had.

This version of the "Hail Mary" is in modern language without the "thee's and thou's". It is a cute book for little kids with an explanation at the bottom of each page describing the portion of prayer used. My 2 year old loves it and is certainly learning his prayers! I must admit however, that while reading him the book I "read" the prayer in the traditional language rather than what is truly written. Although the book is a board book, it is a very thin board. My 2 two year old does great with it, but younger children could certainly do damage to the pages.

My kids loves this book. Bright pictures. Perfect companion is Our Father.

Perfect for Baptism gifts, along with the Our Father book! Love the prayer plus interpretation for little ones to learn...

My Godchildren love hearing about Our Blessed Mother.
