Beautiful pictures, but there were not as many weddings features as I expected based on it being a larger format hardback. That and almost all of the featured weddings were a little too fancy; I was

hoping for a wider variety. The photos don't show all of the aspects of the wedding I was looking for. It makes a nice coffee table book, if you're in the wedding planning phases or are a constant dreamer.

Beautiful book. Great pictures. Great wedding ideas. It's nice to look at a book instead of online pictures sometimes and this is the perfect book!

Love the ideas and possibilities!

My granddaughter is planning her fall wedding outside in lower Alabama and broke into tears when she open the Prime package this arrived in. Not wanting to do the typical beach wedding, this book is the perfect guide full of photos and a multitude of creative ideas to help my little princess create her own outdoor fairy tale wedding.Love you Faith!
