Customer Reviews

Focusing on how food gets from farms, factories, and laboratories to our grocery stores then to our tables, this series is an extremely informative look at food and eating lifestyles around the world. Each volume includes ""Health Watch"" in which students --Library Media Connection(4) YA Ethics of Food series. Published fall 2011. Beginning with a brief historical perspective, these books discuss the benefits and drawbacks of agribusiness, sometimes posing ethical questions to the reader. Farming relates the pros and cons of using --The Horn Book Guide

Michael Burgan has written numerous books for children and young adults during his nearly 20 years as a freelance writer. Many of his books have focused on U.S. history, geography, and the lives of world leaders. He has also written fiction and adapted classic novels. Michael has won several awards for his writing, and his graphic novel version of the classic tale Frankenstein (Stone Arch Books) was a Junior Library Guild selection. Michael has also worked as an editor at Weekly Reader, the classroom news magazine used in schools across the United States. Michael graduated from the University of Connecticut with a bachelor's degree in history. When not

writing for kids, he enjoys writing plays, and his works have been staged across the United States. He lives in Santa Fe, New Mexico, with his cat, Callie.
