Balls Deep Damn ok this was very hot!!! Chris not sure how you can top this one!!!! I absolutely love your mind and your poetry!!! If I could you to read them to me I would so be in there. It doesn't get any deeper than Balls Deep right?? If it does I absolutely know Chris will be able to write a book for it!!!

Another wonderful poetry book. If you are looking for a collection of poems that are sinfully hot, funny or emotional then this is the book for you.

Chris Genovese is a poetry genius!!! Loved this book so much!!

I always love poetry by this author! Great collection.

This is the most superb book of poetry and I enjoyed every poem as this author has a way of expressing himself like no other! The explicit and also deeply moving poems such as "Weeping Willow" shows the outstanding talent that Chris Genovese has as a writer and if your looking for a book which has a mix of many things then this is the book for you because not only does he show us his magnificent talent with his erotic poems which really do sizzle!! He also shows us a more moving emotional side but whatever this author writes it always has a very uplifting and definitely stimulating affect on your senses!! A must read and without doubt a 5 Star book

I have never read such amazing work by a man with so much passion! It's definitely apparent how much his work and family, mainly his wife, inspires him. Thanks for giving us a glimpse into your world!

From Billy the blue collar Dom to Chris's audio poems you will be delighted, stimulated, thrilled and aroused. You won't be disappointed if you like a little naughty in your poetry.

The third collection of poems from Chris Genovese has everything we expect from him. Funny, sexy and emotional poems. He writes like a dream and if you love poetry you will love losing yourself in Balls Deeper.
