A Shepherd Looks At Psalm 23

Synopsis

“The Lord is my shepherd, I shall not be in want.” Travel the shepherd’s path to the green pastures and cool, refreshing waters of Psalm 23. As a shepherd, Phillip Keller shares his insights into the life and character of sheep—and of the Good Shepherd who loves and cares for them. This beloved classic will give new meaning to the ageless Shepherd Psalm, enriching your trust in and love for the Lord who watches closely over you.

‘The Lord is my shepherd, I shall not be in want ...’ Travel the shepherd’s path to the green pastures and cool, refreshing waters of Psalm 23. As a shepherd, Phillip Keller shares his insights into the life and character of sheep---and of the Good Shepherd who loves and cares for them. This beloved classic will give new meaning to the ageless Shepherd Psalm, enriching your trust in and love for the Lord who watches closely over you.

W. Phillip Keller, born in East Africa, always loved wildlife and the outdoors. Having spent many years in agriculture research, land management, and ranch development in British Columbia, he later pursued careers in conservation, wildlife photography, and journalism. His experiences as a shepherd equipped him with the insights that are the basis for A Shepherd Looks at Psalm 23.

This is written by a real shepherd. I learned so much about why God compares our relationship to that of a shepherd and his sheep. There are so many aspects of sheep that we don't know about unless we live with them. All the things he talks about describes our behavior towards God, and God's love and protection towards us. One small example is the fact that sheep are completely defenseless. They literally have no means of defending themselves, except running. Therefore, they are completely dependent on the shepherd, and when he is not around, they feel nervous and cannot grow healthily. It is an easy and engrossing read. Highly recommend.

We are using this book for a ladies bible study and it is amazing. It brings such deep insight into the Great Shepherd! Each insight is so important for us "city-dwellers" to understand. There is no way for us to understand the diligent care of a shepherd unless we hear it from an actual shepherd. Keller is truly a caring and gifted shepherd, while also being one of the flock who loves our dear Lord. I recommend this book for anyone who wants to know God better, deeper, and truer.

This book A Shepherd Looks at Psalm 23 is EXCELLENT!!!!!! The only problem I have with this copy is I needed Large Print and I didn't mention that on my order so they sent the normal print. Someone gave me this book exact cover and all several years ago but the print was the large print....I like giving it to some older people in church and we need the larger print...but when I ordered it I didn't see anything to mark so you would know...I just thought it would come like the one I have...I Thank You and maybe I'll see one for larger print the next time. Thank You again for all these items...I don't have time to write more reviews but your products are just wonderful and I want to Thank You Very Much. Gayl and Wayne Nifong

What a beautiful, endearing, and illuminating book! This book is precisely what it says; and only twelve chapters, which is perfect for a devotional. This book offers deep and rich insight into how God deals with us as His sheep, and the true yet hidden meanings of many metaphors found in the scriptures. David, the Psalmist, was always a shepherd at heart, and as the chosen king of Israel, he was a shepherd that never changed for him. So we see that God is a Shepherd at heart as well, for He chose a man who knew how to lead His people with a heart after His very own. In this beautiful book W. Phillip Keller explores his own experiences in light of this most beloved Psalm, and shares personal stories, biblical insights, and reveals the awe of God's tender-loving, sacrificial care for each one of us as our Good Shepherd. You will LOVE this book! Just precious.

Love this book. Everyone should read it. It shows how Jesus takes care of us and all our needs.

Read before . About 10 years ago . I had gotten such a sense of peace while reading it . I read it at bedtime savoring it slowly. . Have bought again recently . Is just as precious as was then

this Psalm is widely known but seeing your self in it is another thing and it is really about the life of a sheep in one yr and how the shepherds tender care and concern for his sheep brings peace and joy and comfort and security all thru the daily struggles --- He goes ahead of the sheep -- preparing the circumstances and needs of his sheep and the sheep can relax and know its shepherd is always near and caring ---- its shepherd cares and protects it from the struggles of its life and supplies everything it needs every moment and day of its life !!

This is a wonderful little book which packs a powerful message. I keep a couple on hand to give to people I know who are struggling or hurting or just need a good "pick-me-up". It is full of interesting tidbits of information about sheep and how they compare to us humans. Phillip Keller does a great job explaining line-by-line this beloved Psalm. I have found much comfort in this book and highly recommend it.
