## Customer Reviews

This high interest informational series offers young readers a full picture into the lives of familiar polar animals. Each page features a vibrant photograph and two descriptive sentences. Information about what the animals eat, where they live, how they --Library Media Connection

Katie Marsico is a Heinemann-Raintree author.

Very interesting child's book on reindeers, thanks

Kids loved it.

I purchased this book for our 1st grade GLAD reindeer unit. It was perfect. Each page does a good job introducing/explaining about different reindeer facts. Great photos of the split hooves, babies,

lichen, herds, fur, antlers, etc. Not too expensive either.

Loved this book! I used it with a reindeer study unit in my first grade class. Great pictures and information.

My students loved this book.

Great book for kindergarten!

Great book

Students realized reindeer do exist!
