Very helpful workbook in teaching my children to play piano!!!Easy to follow, illustrated to keep even the youngest's attention. Have one for each of my children!

Great for beginning piano students. My 5 year old is catching on quickly with this program. I would highly recommend it.

Been teaching for 15 years and will always use Alfreds.

good

Good for beginners. I am not a professional, but teaching my daughter just occasionally on the side as I played for years. This has worked for us for now until I'm ready to hand her off to a pro teacher.

Used these books as a college pedagogy student. Now using them at home with my own young children.

The piano instructor uses these and I can see why. They are effective and enjoyable. Of course, a great piano teacher is the most important!

Excellent
